## Bird Repelling Pinwheel, Set of 3

Decorative and useful

Decorate your garden and keep away birds off of plants, vegetables and fruit? Our Bird Repelling Pinwheel was designed for exactly this job. It's the smart alternative to old fashioned and unsightly scarecrows. The silvery coating of the pinwheel reflects the sunlight in order to disturb birds. Enjoy fresh fruit and vegetables from your garden yourself again!

Now the Bird Repelling Pinwheel comes in a handy set of 3 for large gardens.
