

Art.-No. 90160

Marten Free Indoor LED

Help against martens in the house

Protect yourself from martens in the house, garage, barn or attic. Simply connect the device with the power socket and the marten repeller is ready. The unit emits varying high-frequency sounds to disturb the delicate ear of the marten. The bright flashes of light emitted by the LED are an additional disturbance.

Additional information

- **Dimensions:** 13 x 7 x 3 cm (W x H x D)
- **Packaging dimensions:** 8 x 18.5 x 6 cm (W x H x D)
- **Manuals included:** DE, GB, FR, ES, IT, NL, PT
- **Product video, product images, scenery images**
- **Packaging unit:** 10 units per package
